Une fois les vermiculites enlevées, veillez à ce que le joint arrière soit bien en place.

Zodra het vermiculiet is verwijderd, zorg je ervoor dat de achterste afdichting stevig op zijn plaats zit.

Achten Sie nach dem Entfernen des Vermiculits darauf, dass die hintere Dichtung richtig sitzt.

Once the vermiculite has been removed, make sure the rear seal is firmly in place!

Una volta rimossa la vermiculite, accertarsi che la guarnizione posteriore sia saldamente in posizione.
